Join Steven Whitson singer/songwriter direct from Nashville as you enjoy a three-hour cruise with lunch or dinner and unlimited beer/wine/soft drinks throughout the cruise.

Music such as "My Girl", "Heartbreak Hotel", "Ring of Fire", "Walking in Memphis", "God Bless the USA", "I'll fly away", "I Can Only Imagine", "American Trilogy" and so many other songs popular in the **50's, 60's** and **70's** while cruising for three hours.

Steven Whitson is a Nashville Recording Artist and Songwriter born and raised in the small town of Trimble in West Tennessee. His mother says Steven started singing at age three in church with the hymnal turned upside down and has been singing ever since.

Steven began writing and recording his own music when he was just sixteen. Subsequent projects have resulted in a collection of fourteen Independent CD's. Whitson has opened for Rascal Flatts, Craig Morgan, Marty Stuart, and Aaron Tippin; just to name a few. In the Fall of 2012, Steven made his television debut on the "Marie Osmond Show," on the Hallmark Channel. Steven is often asked the question, "When are you going to 'make it'?"...Whitson says he has "made it," because he is happy and is able to make a living doing what he loves to do. Steven attributes his success to God, the loving support of his wife Jennifer and his parents Ricky and Kathy Whitson, and to his loyal following of fans called the "Believers." If it weren't for all of them, "Believin" in Steven," Steven's dream would never have become a reality.
